*Please note vsl schedules are tentative subject to change without prior notice.*

*Assuring the best of our co-operation at all times, we look forward to your valued support.*

**Remarks:** *Pls. plan the cargo suitably expecting arrivals/berthing of the vessels with delays as this situation is beyond our control though we are constantly pushing each terminal to give us berth on time. We are unable to bear any “incidental” expense on account of these delays and we will not be able to entertain any cost claims in this regard.*
